

Dear Prison Staff,

I am sending this Welcome Home Kit for inmate _____
whose DOC number is _____ in care of prison staff
member _____. This inmate is being released, and I wanted
to lend a hand by providing some basic essentials for returning to the outside. In the event that the inmate
has been released before this kit arrives, please give it to an inmate being released who you think needs
it most.

Thank you for your help in giving ex-offenders a chance to get back on their feet.

Sincerely,

Together We Can Reduce Recidivism
